At University College London no records are kept of hours of attendance. The relevant teachers are required, however, before a student enters for any examination, which is a component part of a degree examination, to certify that he or she attended, to their satisfaction, the course or courses prescribed in the Regulations for that degree.

In September 2015 UCL reviewed the conversion value of its academic credits to the European Credit Transfer System (ECTS). As a consequence, the ECTS value of a significant number of modules and qualification was increased, this ensured that UCL ECTS values of UCL qualifications are aligned with the Higher Education Credit Framework. A full table of the UCL credit and ECTS conversion for UCL qualifications can be found in the UCL Academic Manual (<https://www.ucl.ac.uk/srs/academic-manual/>).
